To Whom It May Concern,

It is my privilege to recommend Mrs. Lorraine Brock. I have personally known Lorraine and her husband, Keith for nineteen years. They are wonderful Christian people that love the Lord and place Him first in their lives. This has resulted in a strong Christian home that I believe pleases the Lord.

I have great confidence in Lorraine as a leader and as one who continually gives of her time and energy to minister to others. For many years, Lorraine and her husband have taught a Sunday school class in our church. It is constantly noted by those who attend as to what a blessing the Brock's are to their class. As a pastor, I'm blessed to call them more than church members; they are friends.

I know you will not be disappointed if you have Lorraine to speak in your church or organization.

Yours in Christ,

Robby Greene  
Senior Pastor
